OUR DAHLIA FARM is under the supervision of men who have made the growing of the Dahlia their life work and can boast of having inherited this calling, being of the third and fourth generation of DAHLIA SPECIALISTS.

One may truthfully state that their hearts and souls are enlisted in their love for this grand and glorious flower, the Dahlia; their greatest and most appreciated reward for the interest taken in this work are the nice testimonial letters annually received from satisfied customers of the trade. When favoring us with an order you may rest assured of receiving faithful service and highest quality of stock that will prove true to name. Our Dahlia roots satisfy the most critical customers.
